Campus Pantries

13 sites participating; 11 shared key characteristics data by 9/4/25

Key Characteristics of Participating Food Shelf Sites

The following charts detail key characteristics across campus pantry sites that will receive a January - June 2025 Food Sourcing Analysis (FSA) Report. Pantries provided this information regarding their operations during the first six months of 2025.

Please note:

- Graphs include key characteristic data submitted as of 9/4/2025
- Characteristics will be confirmed during consultation sessions.
- Any change to this data exceeding 10% will trigger an update to this document.

What best describes the way the majority of shoppers selected their food at this food program?
